**LIT 284 Film and Society**

Sec. 501 #5611 MTWF 5:30-8:45 Majumdar

Terrorism in World Film & Literature. The course explores cultural, political and psychological perspectives on terrorism as evident in its cinematic and literary representations. It will examine terrorism in disparate political scenarios ranging from independence movements, revolutionary struggles and struggles of identity. Some possible sites of examination are the United States, Israel, Palestine, South Africa, Ireland, Algeria and Sri Lanka. Prereq: ENG 201
